

Assignment: Review Outline

Due: By email, on Oct. 15

The goal of this exercise is to develop an "objective statement" and to create a "linear" outline of the review.

Assignment directions: Each student will submit an outline of their literature review - **explicitly describing:**

- 1) Title of the review.
- 2) One statement describing the objective of the review.
- 3) A bulleted outline of the different parts of the literature review, organized in a logical fashion. Note: please use sections and sub-sections (e.g., 1a, 1b, 2a, 2b, 2c, ...)

NOTE: submit by email to khyrenba@gmail.com using "ENVS4100 - outline" as email title
