

Additional information on the course work for ENVS 4100 follows. It is based, in part, on senior seminar courses in other science programs, especially marine science.

Review Paper Presentation: Each student will make a formal presentation of their review paper. Student performance will be evaluated as follows:

- 1- overall organization of the presentation (25%)
- 2- use of visual aids (25%)
- 3- ability to answer questions and overall mastery of subject matter (25%)
- 4- manner of delivery (25%)
